

T-DOC v16 Update Product Printing

1. To update the pack label and list print settings go to **Databases > Product > Products**.

2. Use full search to find the Product you want to update. Double-click the correct Product.

3. Click the Packing tab in the center of the screen. In the Printing dialog to the right are the options to edit printing of pack labels and pack lists.

4. Uncheck the box next to Print label to turn off label printing for this product.

5. Uncheck the box next to print list to turn off pack list printing for this product.

6. Click  .
